

Harriet Tubman was a wonderful woman. As a child, she was a slave in the South. After she escaped to the North, she wanted others to have the wonderful experience of freedom also. Working with a wonderful group of people, she helped many others in the South escape slavery. Harriet Tubman and her wonderful acts of courage will never be forgotten.

**2. Start:** Doctors had to wear clothing and use instruments.

**Add:** Your own word or words that describe clothing that was not dirty.

**Add:** Your own words or words that describe instruments that were very, very clean.
